COCKTAILS

Bunga Raya Gin

35

A drink inspired by the Malaysia's national flower, the red hibiscus. This five-petaled flower has a very delicate flavour, so we infuse it with a top-shelf gin and enhance its floral notes with a red rose syrup.

Palmera Rum

45

This is the Manja stairway to a good time. Dark caribbean rum, infused with local palm sugar, balanced out with fresh green apple foam.

Drunken Poet

52

We have taken inspiration from a 1920's mob cocktail from Miami and added to it a little twist from our very own local mobster, Bentong Kali. We combine a beautiful Cuban rum and infuse it with aromatic local spices for a smooth spicy drop.

Tropical Sour

52

Manja is hugged by the Bukit Nanas forest reserve and our team took inspiration from this beautiful location. Combining a smoky Lagavulin and a spicy Hennessy, they've captured the feel of early morning mist rising off our very own rainforest in the middle of the city.

Smoked Green Guava

36

The tropical Cuban white rum provides a beautiful showcase for the organically grown local green guava. Simulate a seaside getaway with a cocktail that balances fruity sweetness with a tangy salty rim and nice heady hit of smoke.

Spirit Of Borneo

30

The spirit of Borneo is a traditional rice wine known as tuak which we get from a local artisan who is determined to keep that tradition alive. We have taken this local tradition and added it to a classic margarita, garnering a special mention in the Michelin guide.

COCKTAILS

Roasted Nanas Rum

52

Taking literal inspiration from Bukit Nanas, we put a dry rub of chilli and our secret spice blend on fresh pineapple and roast it over our charcoal coconut husk grill. This intense flavour blend is then infused into a dark aged rum with a little light smoke.

Morning Moonshine

45

Our upscale moonshine is dedicated to all the nature lovers who enjoy a morning trek through the lovely rainforest reserve behind Manja. This refreshing cocktail made with our very own citrus bitters and rich plummy wine, definitely hits the spot after a long weekend hike.
